

Environmental Policy Statement

Netcetera will ensure that our activities are conducted in accordance with sound environmental practices.

This will be achieved by:

- Minimising the consumption of natural resources and energy, whilst consuming material goods in moderation
- Reducing the creation of waste by the adoption of improved operating practices and by the recycling of materials whenever practical
- Ensuring all waste is disposed of in a safe and responsible manner
- investing in the development of new products and processes that have an improved performance regarding their impact on the environment
- Complying with environmental legislation

Netcetera will foster among its staff, suppliers and customers an understanding of environmental issues in the context of its business. Netcetera recognises its responsibility towards protection of the environment, and issues this statement as a commitment of both management and employees to minimising the environmental impact of its operations. The company will seek to improve the Environmental Management System on a continual basis.
